Docket No. 03-109**

Dear Ms. Dortch:

On October 19, 2011, representatives of Emerios participated in a audio conference with Kimberly Scardino, Jamie Susskind, and Jonathan Lechter of the Wireline Competition Bureau. The purpose of the call was to discuss the use of electronic fraud prevention in the certification of applicants for Lifeline and Link Up (“Lifeline/Link Up”) program benefits. The Emerios representatives that participated in the audio conference were Jesse Crowe, CEO; Joseph Livingston, COO; and Ron Renjilian, Director Government Affairs. Thomas Cohen and Joan Griffin from Kelley Drye & Warren LLP, counsel to Emerios, participated in the call as well. The specific topics discussed and points raised by the Emerios representatives are set forth in the attached presentation deck.

Please contact the undersigned counsel if there are any questions on this matter.
